

NANCY, France
June 17-18, 2025

ASFEF
2025

15th Conference of the
French Experimental
Economics Association

CALL FOR PAPERS

The 15th Annual Conference of the French Association of Experimental Economics (ASFEF) will be held in Nancy on June 17-18, 2025. It is organized by the BETA (Bureau for Economic Theory and Applications).

The conference will provide an opportunity for researchers to present results of laboratory and field experiments. It will cover all topics regarding behavioral and experimental economics, such as decision theory, game theory, institutions and markets, neuroeconomics, economic psychology and others. Methodological and theoretical papers dealing with experimental and behavioral issues are also welcome.

Location

The two full day conference will be organized at the Faculty of Law, Economics and Management in Nancy, France. Further information regarding the conference dinner and travelling and lodging options will be posted on the conference website:

<https://asfee2025.sciencesconf.org/>

KEYNOTE
